

## Stampin' UP -Climbing Rose Thank You Card Instructions Video 3, Feb.6,2019

Step 1- Cut all the cardstock using measurements in supply list. Score the card base and fold evenly.

Step 2- Stamp all the images and sentiments using the Stamparatus or a stamping block.

Step 3 – Use the stamping blends to color rose image.

Step 4 – Cut out all images and sentiments with dies with the exception of the inside sentiment and it is stamped straight onto the cardstock.

Note: if using Sizzix Adhesive Sheets apply a piece to the Whisper White that you are going to cut the trellis from. Do this before running through Big Shot. Adhere the sizzix sheet to the wrong side of the whisper white. Only remove one side of the adhesive strip to stick it to the whisper white cardstock. The other side will be taken off when you glue to card.

Now you are ready to assemble card.

1. Glue the 4' x 5 ¼" piece of Granny Apple Green that doesn't have any stamping on it to the front of the card leaving about an 1/8" border of the card base showing. You can use the liquid multipurpose glue to do this.
2. Glue the 2 5/8" x 5" piece of Daffodil Delight to the left side of the card leaving 1/8" border of the Granny Apple Green cardstock showing.
3. Glue the 1" x 5" piece of Floral Romance Paper (leaf design) to the right side of the card front leaving 1/8" border of Granny Apple Green Showing
4. Depending on what you use, peel off the Sizzix back sheet to expose glue or use multipurpose glue to adhere trellis to the left side of the card front. Adhere from the bottom of the card up as the trellis will not reach the top of the card.
5. Put Stampin' Dimensionals on the back of the Rose image then remove protective pieces so you can glue to the card front near the bottom of the card.
- 6 Finally put Stampin' Dimensionals on the back of the Thank You Sentiment and adhere to the card front.

The last step is to glue the 4" x 5 ¼" piece of Granny Apple Green cardstock, (with or without a stamped sentiment for the inside of the card), to the inside right of the card.

Now you have a lovely card to express appreciation to someone!
