Directions For Card Assembly

Step 1. Cut all your cardstock according to measurements above. The next thing to do is cut the Floral Romance DSP and a Sizzix Adhesive sheet to $3 \frac{3}{4}$ " x 5" each.

Step 2. Stamp the fountain image with the Gray Granite ink pad onto the piece of Whisper White 3 " x $4 \frac{1}{4}$ ".

You may also want to stamp the outside sentiment, (With Sympathy) onto the piece of Whisper White $1 \frac{3}{4}$ " x $2 \frac{3}{4}$ " with the Blackberry Bliss ink pad. You may also stamp the blue birds as well with the Blueberry Bushel. This is where the Stamp-A-Ma-Jig really comes in handy. If you don't know how to use one, I will be glad to help you. The Stamp-A-Ma-Jig is on the clearance rack right now for \$7.50 even though the program I use to display products have it listed at \$12.00. Next take the piece of thick Whisper White 4 " x $5 \frac{1}{4}$ " and stamp with the inside sentiment Always loved.....and stamp using the Blackberry Bliss ink pad. Lastly stamp the leaves at the bottom of the same piece of Whisper White with the Granny Green ink pad.

Step 3. Color your fountain with the watercolor markers. Use Blackberry Bliss for the trim as shown in the card picture. Color the water using Blueberry Bushel, the leaves with Granny Apple Green and the ground with Garden Green or whatever you choose. Remember this is your card and your color preferences. I am just listing what I used.

Step 4. Use the Lily Framelits Die to cut out the sentiment "With Sympathy", and also cut one Blackberry Bliss to make a frame around the Wisper White sentiment label. The other piece you need to run through the Big Shot is the fountain piece. Use the 4th largest die of the Rectangle Stitched Framelits and center your fountain in the die. Next run it through the Big Shot. Remember one way to know that you have the correct die is lay it on top of the piece of Blackberry Bliss measuring $2 \frac{3}{4}$ " x $4 \frac{1}{8}$ ". You should have a tiny border of Blackberry Bliss around the Fountain piece if your die is correct.

Step 5. Adhere the fountain piece onto the Blackberry Bliss measuring $2 \frac{3}{4}$ " x $4 \frac{1}{8}$ " with liquid glue. Lay aside. Next take the Vellum piece right side up and adhere to the Sizzix Adhesive Sheet. Trim slightly if necessary, otherwise glue this piece to the Whisper White piece measuring $3 \frac{3}{4}$ " x 5". After that glue this piece to the Blackberry Bliss measuring 4 " x 5

¼". Finally take this same piece and adhere with glue to the card base front. Once this is completed pick up your Fountain piece and adhere to the card front.

Step 6. Prepare the sentiment label by cutting the Blackberry Bliss label in half in a horizontal cut. Dab a little glue along the edge of the top of the sentiment label and carefully lay on top of half of the Blackberry Bliss label. Leave a tiny border of Blackberry Bliss. Repeat the process along the lower edge of sentiment.

Step 7. Take your completed sentiment label and put Stampin Dimensionals along the back of it. Remove protective coverings and adhere to the front of the card.

Step 8. Tie a tiny bow out of the Blackberry Bliss Nature's twine. Using a mini glue dot, stick to the front of the sentiment label as shown on the card.

Step 9. Glue the sentiment piece of Whisper White to the inside of the card leaving a border. It will be Whisper White on Whisper White. Now you are finished.

Now you can place your card in a safe place for one of those unexpected times and you won't have to go to the store to find a card.
