Directions for Card Assembly

- Step 1. Cut all your cardstock according to measurements above.

Step 2. Stamp the sentiment, (Friends Make the Good Times Better), on the Whisper White Cardstock measuring 3" x 3". Then stamp the sentiment, (Every Little kindness Makes the World brighter), from the Waterfront stamp set on one of the pieces of Balmy Blue Cardstock measuring 4" x 5 1/4".

Step 3. Use the large die to cut a label from the Balmy Blue piece measuring 3" x 4". Lay the die on the cardstock, sharp edge next to cardstock. Run through the Big Shot. Next center the round die over the sentiment stamped with Balmy Blue ink on the small piece of Whisper White cardstock. Run through the Big Shot. Lay aside.

Step 4. Adhere the flowered DSP onto the Balmy Blue piece of cardstock, (without the sentiment), measuring 4" x 5 1/4" with the multipurpose glue. Next adhere this joined piece to the card base.

Step 5. Take the now round piece of whisper white with the sentiment on it and glue to the Balmy Blue large label.

Step 6. Put Stampin Dimensionals on the back of this unit. Remove protective coverings and then adhere to the front of the card.

Step 7. Take the piece of Balmy Blue cardstock with inside sentiment and glue to the inside of the card.

Step 8. Place three of the metallic pearls on the front label as seems pleasing to you.

All done! Quick, easy, and pretty!
