### **Directions for Card Assembly**

Step 1. Cut all your cardstock according to measurements above.

Step 2. Stamp the flower on the piece of thick Whisper White measuring 3 ½" x 4 ½". Then take the sentiment from the Special Celebrations Stamp set and stamp on piece of Whisper White measuring 3 ¾" x 5". Take the Happy and Birthday Stamps from the Well Said Stamp set and line them up on a block or the Stamparatus. Using the Memento Tuxedo Black ink stamp onto the scrap piece of Coastal Cabana paper. Now trim to 3/8" x 2 3/8".

Step 3. Take the lace die and lay the piece of Coastal Cabana measuring 4" x 5 1/4" on top of it letting 1" width hang over the die. Run through the die machine 2 or 3 times. Now clean all those little pieces out with the brush before removing the paper from the die. It works better this way. When you have gotten most of the out, remove die and clean the few pieces left with the Take Your Pick tool.

Step 4. Take the fourth stitched rectangle die from the center to cut out the flower. Lay the paper on top of the die and run through die cutting machine.

Step 5. Take the Detailed Punch and cut the design for the inside sentiment piece. Punch all four corners pressing in the center of the punch with the palm of your hand for best results.

Step 6. Color the flower with Coastal Cabana water marker and the Daffodil Delight Blends.

Step 7. Glue the Happy Birthday Sentiment to the Basic Black piece measuring 5/8" x 2 5/8" piece. Lay aside.

Step 8. Glue the lace piece of Coastal Cabana to the Basic Black layering piece. Next glue the flower piece to the front of the lace piece. Now glue this unit to the front card base.

Step 9. Take the Happy Birthday and place Stampin' Dimensionals on the back of it. Remove protective coverings and place on the card front.

Step 10. Take the inside sentiment piece and glue to the Coastal Cabana piece measuring 4" x 5 ¼". Now glue this unit to the inside of the card.

All done! What a pretty card for your hard work!
