### **Directions for Card Assembly**

Step 1. Cut and score all your cardstock according to measurements above.

Step 2. Stamp the deer with Rocco Rose Stampin Ink Pad. Then take the second largest smooth oval die and run through your die cutting machine. Also use the largest scalloped die and cut out the Cherry Cobbler layer to put behind the deer.

Step 4. Using the Cherry Cobbler Ink Pad stamp the inside sentiment on the piece of Whisper White cardstock measuring 3 3/4" x 5".

Step 5. Tie a small bow out of ribbon and lay aside.

Step 6. Glue the deer to the scalloped piece of Cherry Cobbler.

Step 7. Glue the plaid piece measuring 2 1/2" x 5" in the center of one of the Cherry Cobbler pieces.

Step 8. Now take the ribbon, (approximately 6") and wrap around the front of the Cherry Cobbler and Plaid piece that you just glued together. Secure each end on the back with scotch tape. Try to center the ribbon.

Step 9. Glue this piece to the front of the card base.

Step 10. Now take Stampin' Dimensionals, **not glue dots** and place on the back of the oval piece with the deer on the front. Remove the protective coverings and place to the left side of the front card base over the ribbon.

Step 11. Now take glue dots to adhere your ribbon to the right of the oval.

Step 12. Glue the inside sentiment to the other piece of Cherry Cobbler cut to 4" x 5 ¼" for layering

Step 13. Now glue this union to the right side of the inside card base.

All finished.
