Tools

- Bone Folder
- Paper Trimmer
- Simply Shammy (to clean stamps)
- Scissors
- Stamperatus or choose acrylic blocks(a,b,c,e,h are recommended by Stampin' UP)
- Stampin' Cut & Emboss Machine will work for this project

Instructions

1. Fold and burnish on the score line of your card base. Burnish simply means to run a bone folder over the fold of your card.
2. Measure and cut the pieces of cardstock.
3. Stamp the fox with Early Espresso ink about ½ or a little more from the bottom of one of the basic white cardstock pieces. Take notice how the die is made to cut out fox and snowbank. The fox is on the left side.
4. Using the Early Espresso ink pad stamp the cabin, and the two sentiment. Stamp Merry Christmas on the piece of Basic White measuring 1" x 3 1/2". Also stamp the cabin on a piece of Basic White about ½ of a quarter sheet. Then stamp the inside sentiment on 1 piece of Basic White Cardstock cut to 3 ¾" x 5".
5. Using the Blender brush and the Whisper White Ink Pad blend over the Evening Evergreen piece of cardstock.

6. Using the 3 small trees cut about 3 sets of trees from this cardstock. Only use what you want to when gluing them to your card,
7. Place die over fox and run through the die cutting machine. Next use the cabin die to cut out most of the cabin. Trim away the snowbank.
8. Take your scissors and Cut the Merry Christmas sentiment apart and trim as shown in the picture.
9. Now you are ready to assemble your card. Glue the snowbank with the fox to the piece of Balmy Blue cut to 3 3/4" x 5 ". Next glue the Merry Christmas in the upper right corner.
10. Glue the cabin in place. Remove the tree trunks by clipping with your scissors. Lastly glue the trees around your cabin and under your sentiment.
11. Now glue this piece to one piece of the Early Espresso cut to 4" x 5 1/4 ".
12. Lastly glue this front panel to your card base. Make sure you turn it the correct way.
13. Now take your inside sentiment and glue to the other piece of the Early Espresso cut to 4" x 5 1/4 ".
14. Glue this piece to the inside of the card.

All done!
