3. Fold on all straight fold lines and burnish. Curl the front flap downward.
4. Carefully fold in the circle score lines
5. Put a little glue on the back flap and fold the front flap over the back. Hold until the glue sets. Do the same to the other end.

Belly Band

Take the ½ “ wide strip of Be Dazzling 6” x 6” Specialty paper cut to 5 ½” long and curl in a circle. Put a little glue on the first ½” of the band and lap one end over the other gluing together. Glue the small flower on top of the larger one. Now carefully glue the flower over the seam where the belly band is glued together. Put a gem in the center. Fill with a treat of candy, or tube of lip balm.
