3. Cut your cabin scene by choosing a scene you like and cutting it, (with scissors) out larger than you need so that you will have room to center the 3rd largest Scalloped Contour Die over it.
4. Cut each of the layers with the dies as described above using your die cutting machine.
5. Glue the cabin scene to the smallest Cherry Cobbler Scalloped piece.
6. Now glue this piece to the gray paid piece. Next glue to the largest Cherry Cobbler Scalloped piece and finally to the card front.
7. Glue inside sentiment to the piece of Cherry Cobbler Cardstock cut to 4" x 5 ¼". Now glue this inside sentiment to the inside of the card base.

Such and easy card but oh doesn't it look like Christmas!

Optional Decorating of Envelope Flap

Using your tape runner put tape on the top side of the flap of the envelope. Carefully lay your piece of DSP (Designer Series Paper) measuring 2 3/8" x 6" on the flap starting at the fold of the flap. Trim and you are done!
