Ink

Tuxedo Black Momento Ink Pad

Adhesive

Multipurpose Glue

Stampin’ Seal Tape Runner (optional)

Tools

Stamparatus

Scissors

Simple Shammy

Bone Folder

Paper Trimmer

Stampin’ Cut & Emboss Machine

Instructions

1. Cut all the paper from the list above.
2. Stamp inside sentiment of your choice, with Tuxedo Black Momento Ink, on the piece of Very Vanilla thick Cardstock cut to 3 3/4" x 5" – lay aside
3. Stamp the piece of Very Vanilla Cardstock cut 2 1/4" x 2 7/8" using your Stamparatus. Stamp the pretty border first on the top edge of the label, then turn the label around and stamp the bottom edge without moving your stamp. This way you will get the same border with the same distance from the edge of your label. Next stamp the sentiment, "True Love Stories Last Forever" in the center of the label dividing the distance. Round the corners with the Detailed Trio Punch.
4. Glue this label to the piece of Basic Black cut 2 1/2" x 3 1/8". Lay aside.
Glue the piece of Simply Elegant designer series paper cut to 3 1/4" x 4 1/2" to the last piece of Very Vanilla Cardstock cut to 3 3/4" x 5". Now glue this panel to a piece of Basic Black Cardstock cut to 4" x 5 1/4".
5. Glue the sentiment label to this panel.
6. Lastly glue the entire panel to the card base front.
7. Glue inside sentiment piece to the last piece of the Basic Black cardstock and adhere to the right inside of the card base.

Optional Decorating of Envelope Flap

Using your tape runner put tape on the top side of the flap of the envelope. Carefully lay your piece of DSP (Designer Series Paper) measuring 2 3/8" x 6" on the flap starting at the fold of the flap. Trim and you are done!

Stampin' UP does not sell these but they are very helpful in card making
